

CURCUPASTE™

Concentrated Curcumin Paste - A Unique Health Supplement for Horses

Curcumin is a naturally-occurring phyto compound found in the spice turmeric which is commonly used for conditions involving pain and inflammation such as osteoarthritis.

Turmeric has long been prevalent in ancient Indian and Chinese medicines as a powerful anti-inflammatory and anti-oxidant used for wide range of conditions, including diarrhea, respiratory infections, dermatitis, and even cancerous tumours. There has been an increased awareness of Curcumin health benefits and properties, recently.

CURCUPASTE IS A PERFECT SOLUTION FOR STABLE PERFORMANCE

CURCUPASTE consists of in each 60 ml: Curcumin 5000 mg

Administration: Curcupaste should be administered as top dressing or mixed thoroughly within the feed.

Daily Intake: Administer 30 mL per 500 kg everyday as suggested

FEATURES:

- Provides a concentrated source of curcumin
- Delivers superior absorption and bioavailability than regular curcumin, derived from Turmeric.
- Contains Curcumin with good bioavailability and proper absorption
- Palatable gel, that is easily mixed in your horses feed.

BENEFITS:

- The specific formulation of Curcupaste helps to improve absorption in the small intestine, thus facilitating superior distribution into key target tissues
- Safe and natural formulation
- Does not interfere with the regulations of racing
- Easily accepted by the horse
