

# TerboSYN HP

## Highly Potent Multi-strain Probiotic

Digestive health is a main concern in the poultry industry as it has a high impact on production and mortality rates caused by gut diseases. The digestive tracts of broilers are sterile at hatching, but they are rapidly colonized by microorganisms from the surrounding environment that develop into a complex community of microorganisms- the microbiota. Due to the fact that young birds have fewer bacterial species in the intestinal tract than adults, their gut is more susceptible to disorders promoted by harmful bacteria that can quickly destabilize the gastrointestinal tract. Feed supplementation with probiotics has been proven to be one of the most promising approaches to replace antibiotics due to the notable health and performance benefits.

## TerboSYN HP

TerboSYN HP is a scientifically formulated blend of beneficial and pure microbial culture of probiotic strains suitable for improving gut health and production performance in poultry.

### Composition:

Each gram contains a Total Viable Count of NLT  $3 \times 10^9$  CFU of the following strains:

*Bacillus coagulans* | *Bacillus subtilis* | *Bacillus licheniformis* | *Lactobacillus acidophilus*  
*Lactobacillus plantarum* | *Lactobacillus rhamnosus* | *Saccharomyces cerevisiae*  
*Saccharomyces boulardii* | *Enterococcus faecium* | *Bifidobacterium bifidum*

### TerboSYN HP - Benefits & Advantages

- Helps to maintain the intestinal microflora balance
- Inhibits growth of pathogenic bacteria by competitive exclusion
- Helps in maintaining optimum gut pH
- Optimize the activity of digestive enzymes
- Improves immune system & increases disease resistance
- Promotes feed conversion efficiency
- Improves daily weight gain & growth performance
- Improves mineral absorption
- Highly safe & eco-friendly

### Recommended Usage:

Chicks: 1 g per litre of drinking water for the first 7 to 10 days  
(During 1st week and at the end of 3rd week)

Adult Birds: 1 g per 4 litres of drinking water for 7 to 10 days  
(Immediately after stress conditions)

**Presentation:** 500 g & 1 Kg

Free From Hormones & Antibiotics

Animal/Poultry Feed Supplement

Not For Medicinal use

Not For Human Use

**Catalyst LifeSciences Pvt. Ltd.**

An ISO 9001:2015, ISO 14001:2015, HACCP Compliance Certified Company

Corporate Office: Plot No.69, 1st Floor, Street No.1, Sector - 22, Noble Farms/Enclave, Gurugram - 122003, Haryana

DISPOSAL OF BAD AND OUTER PACKAGE: Do not contaminate water, food or feed by storage and disposal. Completely empty container into application equipment. Triple rinse pail and offer for recycling or reconditioning. Containers can also be disposed of in a sanitary landfill or by incineration, or in accordance with guidance from your local waste regulation authority, such as by burning (if burned, stay out of smoke). When applying this product to water bodies, avoid solid particles from falling on nearby ground where birds and feed may be present.
